

Remarks

Claims 1-10 and 12 are in this application.

Claims 1 and 2 have been amended so that these claims end with a period.

Claim 12 replaces claim 11 and is a method of treatment claim.

The other amendments to the claims are made for clarity and/or to correct errors in grammar.

Therefore, it is respectfully requested that the objection to the claims and the rejection of claim 11 be withdrawn and that this application be allowed.

Respectfully submitted,

A handwritten signature in black ink, consisting of a large, stylized 'J' and 'C' that are connected, with a horizontal line extending to the right from the end of the signature.
